Parenting Adoptees Can Trust

Empowered to Connect is Show Hope's initiative to provide resources to foster and adoptive parents. This two-day conference provides practical tools that are beneficial and applicable for ALL parents. Be the best parent you can be!

Monroe Harding is hosting this two-day live streaming event on its Glendale Lane Campus. Hear from national experts on Trauma Informed Care, Fostering, Adoption and Parenting. We are **unable** to provide childcare and due to the nature of the materials presented, children **cannot** attend.

Don't miss this opportunity to learn and grow. Tickets for this two-day conference are \$38, which includes lunch. Please register by April 4th at the following
