439

CHILDREN & YOUTH SERVED

Monroe Harding's mission is to change young people's lives by fostering resiliency. Through our services, we provide Homes, Healing and Opportunities, what we call the "H2O" that is vital to helping children and youth, from birth to 26, succeed.

34,233

NIGHTS OF CARE

Having a loving and safe place to call home is important to the children and young adults we serve. We provided that home for over 34,000 nights of care.

\$36,573.62

MATCHED IN YOUTH SAVINGS

Our financial education program helps our youth learn to budget and save. We match up to \$3,000 to purchase a major asset - like a car or computer.

68%

YOUTH EXITED TO PERMANENCY

The goal of foster care is a permanency that is healthy and safe for the youth. We celebrated reunifications with parents and relatives and 16 adoptions into new forever families.

28

GRADUATES

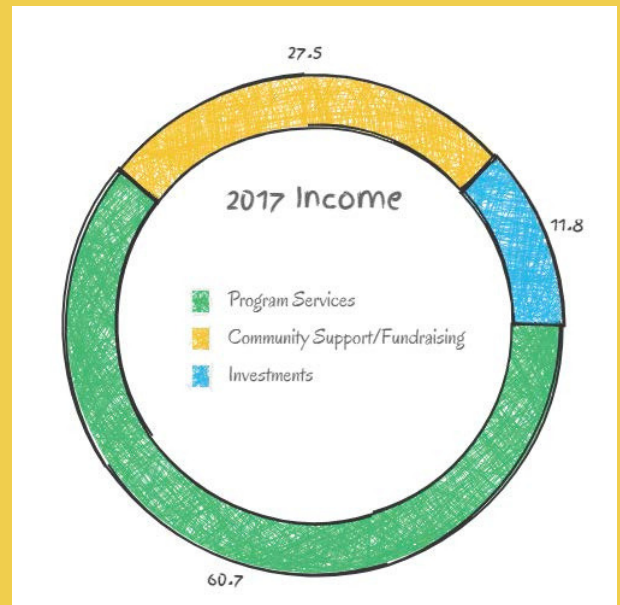

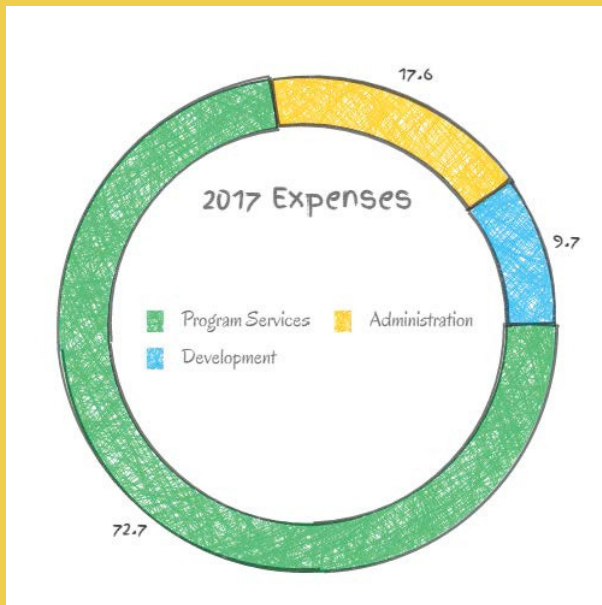

2017 has been a great year for Monroe Harding Graduates! Not only did 28 young adults earn diplomas (including 2 college graduates), but they also traded in test anxiety, self-doubt, and academic deficiencies for confidence, problem solving abilities, and critical thinking skills.
