Monroe Harding Book Signing

photos by • Brenda Batey

A book signing was held by Monroe Harding youth at Farm Burger, where a percentage of all sales were donated to the charity.

Since 1893, Monroe Harding has continually adapted to meet the needs of children who are in, or transitioning out of state custody, caring for more than 16,000 children who have been abused, abandoned, or neglect-

ed. The book, *IMAGINE US*, is a journal created by Monroe Harding's young adults, which shares their experiences in foster care. The collection of original writing and art represents the reality of young adults who find themselves entangled in the foster care system. It shows through their perseverance and determination they are so much more than what has happened to them.

To purchase a copy of the book, email communityrelations@monroeharding.org.
