

2020 STOCK THE HOUSE

Our Supportive housing program is expanding this August. We need your help to turn these two new houses into HOMES for young adults that are part of our **Supportive Housing** program!

There are THREE ways that you can get involved:

1

Help us Build out a Bedroom! Each room will cost \$1,500. You can donate money toward a room or purchase individual items that are needed from our wishlist. These items include a bed, mattress, locker, nightstand and more.

2

Donate a “Make it Your Own” gift card to allow our young adults to make decorative purchases for their rooms. Part of creating a healing environment is having a voice and a choice. We need gift cards of \$25, \$50 or \$100 from Wal-Mart and Target.

3

A new house needs many items. **Donate towards the cost** of Bedroom and House items on our website at: <https://www.monroeharding.org/donate/> or purchase them directly from our **Amazon** wishlist. Items will be shipped directly to us.

Thank you for partnering with our supportive housing program to help young adults transition toward independence by emphasizing continued education and/or employment; assisting with transportation and food support; social, emotional and life skills-training; and connections to community resources.

Please visit our website to learn more or contact Mariela at donate@monroeharding.org or 629-888-0717.
