

Holiday Needs List 2020

For our 35 families that are a part of our **Foster Care** program – just like our own families, our foster families like to spend time together, creating memories. These items are a helpful start:

- Gift cards to grocery stores to help with holiday meals (Kroger, Target, Walmart)
- Gift cards to restaurants for a family outing (Sonic, Dairy Queen, Subway, McDonald's, etc...)
- Passes to family experiences (Nashville Zoo, Cheekwood Holiday Lights, Dancing Lights or Build a Bear)

For some of the 45 young adults in our **Supportive Housing** program, the family they create is the only one they'll see over holidays. These items will help make the season a special time for our young adults:

- Gas cards – any denomination for holiday travel
- Bus passes – single or weekly rides for holiday and work travel for our young adults
