ABOUT MONROE HARDING

Since we began in 1893 as an orphanage for displaced youth, Monroe Harding has evolved and continually adapted to meet the needs of children and young adults in or transitioning out of state custody. We ensure that foster care youth and other vulnerable young people build a solid foundation of strengths, positioning them for success in adulthood. We provide children, young adults, and families with resources in the areas of Homes, Healing, and Opportunities through Engagement. We also advocate for service recipients and empower young people to advocate for themselves. Monroe Harding is the only agency in Middle Tennessee providing a comprehensive continuum of services for current and former foster youth from birth to 26 and serving other vulnerable young adults.

Step right up and join us for Fostering Joy, The Greatest Gala on Earth, on Saturday, September 20, 2025, at City Winery Nashville! This unforgettable evening will bring the magic of the circus to life with live music, a thrilling live and silent auction, and a menu crafted to delight your taste buds. Hosted in the vibrant and elegant atmosphere of City Winery, this one-of-a-kind celebration benefits Monroe Harding, an organization dedicated to empowering foster youth and young adults transitioning out of care. Your participation will directly support programs that provide homes, healing, and opportunity to those who need it most. Don't miss this enchanting night of fun and philanthropy. Together, we can create the greatest impact on earth!

For over 130 years, Monroe Harding has provided a healing community for youth and families as they move beyond trauma to experience hope. With the support of our event sponsors and patrons, our organization can continue our four key programs for young people who are currently in or are transitioning from the foster care system. Monroe Harding has invested resources in finding loving foster homes for youth and supportive Housing for young adults, along with Education & Career Readiness, and Therapy & Healing.
